

NEW INVASION OF GERMANY IS BEGUN BY ALLIES AS COUNTER PROPOSALS ARE FLATLY REJECTED

Atlanta Decides Fate of Bonds at Polls Today

VOTE EXPECTED TO BE GREATEST ON RECORD HERE

Civic Advancement Depends Upon Election in Which Women Will Play Important Role.

26,000 PEOPLE HAVE
RIGHT TO THE BALLOT

Thousands of Certificates Will Be Presented at Polls—Beautiful Weather Is Assured.

Polling Places Today.

- Following is the list of polling precincts in the election today, the polls opening at 7 o'clock this morning and closing at 7 o'clock this evening:
- First ward, precinct A. 19 South Forsyth street.
 - First ward, precinct B. 175 West Mitchell street.
 - Second ward, precinct A. 95 South Pryor street.
 - Second ward, precinct B. 744 South Pryor street.
 - Third ward, precinct A. Fraser and East Hunter streets.
 - Third ward, precinct B. Boulevard and East Fair street.
 - Fourth ward, precinct A. Boulevard and Ponce de Leon avenue.
 - Fourth ward, precinct B. Edgewood avenue and Butler street.
 - Fifth ward, precinct A. 745 Madison street.
 - Fifth ward, precinct B. 240 Kennedy street.
 - Sixth ward, precinct A. Juniper Forsyth and Peachtree streets.
 - Sixth ward, precinct B. Marietta and Walton streets.
 - Seventh ward, precinct A. Lee and Gordon streets.
 - Seventh ward, precinct B. 628 Gordon street.
 - Eighth ward, precinct A. 823 Peachtree street.
 - Eighth ward, precinct B. Hemphill avenue and Terrell street.
 - Ninth ward, precinct A. 746 Edgewood avenue.
 - Ninth ward, precinct B. Highland and St. Charles avenues.
 - Tenth ward, precinct A. 523 Lee street.
 - Tenth ward, precinct B. 231 Stewart avenue.
 - Eleventh ward, precinct A. Flat Shoals avenue.
 - Eleventh ward, precinct B. Faith's crossing.

The decision whether Atlanta shall vote today with the greatest of the nation or whether her progress shall be arrested and her development impaired, rests today in the hands of her voters.

More than 26,000 men and women are clothed with the right to participate in the election and will decide with their ballots the victory or defeat of the proposed \$3,200,000 bond issue to be expended for the enlargement and improvement of the public school system, the waterworks, the sewer system, and to build a new viaduct connecting Spring street with the Terminal station plaza. The vote today is expected to be the largest in Atlanta's history.

Registration since last Thursday has been by certificate. Monday's registration completely overwhelmed the regular forces and reinforcements were added by Registrar W. S. Richardson at the courthouse, and the city jail.

Thousands Register.

It is estimated that nearly 4,000 registered Monday, and at the end

A., B. & A. Employees To Welcome Efforts Of Mediation Board

Leaders of Railroad Brotherhoods Say They Are Ready to Present Side of Controversy.

JUDGE SIBLEY GLAD
TO HAVE BOARD HERE

Statements Issued by Receiver B. L. Bugg and by Men Relative to Various Phases of Strike.

BY PAUL JONES.

A big step forward in the efforts now being made to bring about a settlement of the strike of the A., B. & A. employees, which has tied up transportation on that system, was taken Monday when Val Fitzpatrick, leader of the strike forces, declared that the brotherhoods would be glad to appear before the United States mediation commission, now in this city, and to present the obstacles, which they contend are now preventing a reconciliation between the railway and workers.

BY JAMES A. HOLLOMAN.

Washington, March 7.—(Special.) The government departments interested placed an intense watch today on the A., B. & A. railroad strike in Georgia and this tie-up, together with the general railroad wage situation, will be the paramount domestic question to be taken up at tomorrow's cabinet meeting. It was indicated that the cabinet meeting of the republican heads gathered around the president's mahogany.

Assistant Postmaster Otto Praeger, who is yet in office and charged with the management of the railway mail service, informed that the constitutionality of the government had taken up vigorously the question of mail deliveries along the A., B. & A. and that at noon today 31 of the 62 offices served directly and only by this railroad were having mail delivered promptly by motor trucks and that by tomorrow night all of the offices along the A., B. & A. route, not otherwise served, would be getting their mail as usual by the truck method, which was being continued on previous schedule until the troubles of the railway were adjusted and the mail trains began to move on schedule again.

Widow's Charge Proves Undoing Of Young Adonis

Sends Fiance to Chaingang,
But Loses Hard-Earned Money.

Samuel Townsend, a young Adonis, hailing from Massachusetts, was given a sentence of 12 months on the chaingang by Judge Andy Calhoun Monday morning, when a jury in the criminal court found him guilty of cheating and swindling.

Townsend was accused of swindling Mrs. M. E. White, a 41-year-old widow, of \$1,450, the savings of a lifetime. Mrs. White works and supports her family of four children, ranging in age from 6 to 20 years.

According to the evidence, Townsend became engaged to Mrs. White, and then persuaded her to mortgage her farm to pay his expenses to Massachusetts, where he claimed he had some property. She let him have \$1,500, he left town, later coming back and making excuses about not paying back the money. He then told Mrs. White that he was going to England and wanted to go there to settle up the estate, and persuaded her to sell her equity in the estate and give him an additional \$500. He then told Mrs. White that he was going to England and wanted to go there to settle up the estate, and persuaded her to sell her equity in the estate and give him an additional \$500. He then told Mrs. White that he was going to England and wanted to go there to settle up the estate, and persuaded her to sell her equity in the estate and give him an additional \$500.

If Friends of Bonds Vote Today Success Is Assured States Campaign Committee

"If those who favor bonds will go to the polls and vote today, the bonds will carry by an overwhelming margin," says a statement issued for Tuesday morning by the bond campaign committee. "If they do not, the bonds will fail. That is the whole story, with little else to say."

"This much, however, should be remembered by those who favor bonds. Hundreds registered Monday and hundreds more will register today. While the voting is in progress, registration also will be in progress. We will not be able until 5 o'clock this afternoon, when the registration closes, to calculate the votes we need to carry the

DO YOUR DUTY BY ATLANTA TODAY: VOTE EARLY FOR BONDS

ders of Marshal Foch will be directed towards the Ruhr in a new invasion of Germany.

The refusal of Dr. Walter von Simons, German foreign minister, either to accept the Paris reparations agreement or to offer a substitute acceptable to the allies, brought immediate military action. The Germans were notified at 4:30 Monday afternoon that their counter proposals could not be considered.

Within two hours the supreme allied commander had issued his orders for the troop movement.

The allied drive will be directed against Ruhrort, Düsseldorf and Duisburg, under the strategic plan adopted by allied military leaders who met Monday afternoon at the French war office with President Millerand and officials of the French war office in attendance.

German Appeal.
The immediate German reply to

the enforcement of penalties which have been threatened ever since the Paris conference in the event of Berlin's refusal to meet the allied terms, was an appeal to the council of the league of nations.

"Germany is not a member of the league," said von Simons. "But she has signed the pact. I, therefore, appeal to the league in the name of the German government, against the imposition of penalties with which we are menaced."

The German leader communicated with Berlin immediately after the final session of the conference, notifying his government of the steps to be taken by the entente.

Modification of the German counter terms had been largely discounted by diplomats who went into the conference with every belief that neither Brand nor Lloyd-George would recede from the Paris terms. The last minute hope that von Simons' presentation of a scheme based on the Sevres plan and calling for a five-year payment as a beginning, would open the way for further negotiations, was crushed after the morning's informal session, at the close of which it was announced that a final session which would be held at 4:30 o'clock when the British premier would give the allies' final answer. It was known at that time that the answer would be.

Return to Conference.
The Germans returned to the conference hall at the appointed time. General von Seeckt, military leader of the Berlin group, appearing for the first time resplendent in his general's uniform. The session was brief, and it was officially announced at its close that the entente had determined to put into effect the military penalties provided against Germany's non-fulfillment of the terms laid down by the Paris conference.

The official statement told that Lloyd-George "regretted that Germany's proposals were unacceptable, did not represent any advance over her former proposals and therefore did not justify the further postponement of penalties."

Official Protest.
Von Simons lodged an official protest with the conference, declaring that the imposition of military penalties was contrary to the treaty. His last words to the allied diplomats were:

"When the experts eventually meet to settle the reparations question, the atmosphere will be embittered by the penalties which are being enforced. I feel obliged to protest with all my power at this moment, against such a procedure."

ALLIED PENALTIES OUTLINED TO GERMANS.
London, March 7.—(By the Associated Press.) Application of reparations penalties for Germany for non-fulfillment of her reparations requirements was decided upon by the allies here this afternoon.

The penalties in question were announced to the Germans last Thursday by Mr. Lloyd-George, the British prime minister. They are:

Occupation of the cities of Duisburg, Düsseldorf and Ruhrort in the German industrial area beyond the Rhine, by troops of the allies, imposition by each allied country of such a tax upon German imports as it may deem fitting.

Customs Boundary.
The establishment of a customs boundary under allied control along the Rhine.

The scene of the proposed allied occupation in Germany, which was set to commence at daybreak, is on the river Rhine in the heart of the great industrial region of the Ruhr valley, with Essen, the steel and munitions, its center. The three cities for occupation are Düsseldorf, Duisburg and Ruhrort, lying along the German industrial zone of occupation at Cologne. The American zone is at Coblenz, 75 miles farther south, and the French zone at Mayence, another 75 miles south.

Allied Ultimatum.
As all three cities, on the Rhine, the proposed occupation does not involve marching inland beyond the Rhine, except in the immediate vicinity of the occupied cities.

The allied ultimatum was foreclosed apparently with reluctance by the British prime minister. The French do not appear regretful, while the Germans left Lancaster house, where the conferences have been held, plainly depressed to take their train for home tomorrow.

Two Long Sessions.
Two long sessions of the conference preceded the final break before Marshal Foch and Field Marshal Wilson sent telegrams ordering the commanders at the front to execute the orders already given to them. Dr. Simons, the German foreign secretary, presented an alternate plan whereby Germany agreed to pay the annuities for the first five years demanded in the Paris plan, and also the equivalent of the proposed two per cent tax on exports, but eluding to the conditions for the retention of upper Silesia and world-wide freedom of German trade.

Lloyd-George, delivering judgment for the allies, said they deeply deplored the necessity of the decision, while Dr. Simons clung to the last to the contention that the Paris demands were impossible for Germany to fulfill. The allies regarded the German course as strategy for delay, and the latest plan as one whereby the whole treaty would have to be reconsidered and debated after five years, when Germany might hold a more favorable position. Dr. Simons finally asked for further time in which to consult the German cabinet. This was denied.

French to Lead.
The French army will furnish the bulk of the forces for the march into Germany. Great Britain's contribution in men will be only large enough to show her solidarity with the allies, who wait with deepest interest for any sign from Washington as to the American government's attitude toward the new enterprise.

General feeling in England appears to be one of relief, without enthusiasm. The prime minister explained the position in the house of commons tonight in a speech in which there was no note of jubilation. The majority of English newspapers have taken the line that the most important point involved was that the allies were united together while the French press has freely voiced its fears that Lloyd-George might desert France. All recognized that if M. Brand returned to Paris hearing the burdens of a concession to Germany his premiership was doomed.

FRANCE FEELS DEEP SATISFACTION.
Paris, March 7.—(By Associated Press.)—The decision of the London conference to impose the stated penalties upon Germany was

received with deep satisfaction in French official circles, where it always has been contended that sooner or later force would have to be resorted to in order to bring Germany to a proper appreciation of her position as a vanquished foe.

ITALIAN CABINET APPROVES ATTITUDE.
London, March 8.—The Rome correspondent of the London Times quotes the Epoca, as saying: "The Italian cabinet met Monday and approved the attitude of the Italian delegates in London. It emphasized, however, that the active support of Italy could not be counted upon in the event of a movement against Germany."

MORTUARY

Mrs. Henry S. Stringer.
Mrs. Henry S. Stringer died at a private hospital Monday afternoon in her 41st year. She is survived by her husband and a daughter, Miss Ruby May Stringer.

John N. Abbott.
John N. Abbott, 64 years old, died Saturday night at the residence, 234 Oak street. He is survived by his wife and one daughter, Mrs. J. B. Thrash.

Milledge C. Whitlock.
Milledge C. Whitlock, 92 years old, died Sunday at his home in Marietta. He is survived by two daughters, Mrs. E. E. Malcolm, of New York, and Mrs. A. W. Cortelyou, of Marietta, and one son, G. Whitlock.

J. W. McMillan.
J. W. McMillan, 17-year-old son of Mr. and Mrs. Nell McMillan, died Sunday morning at the residence, 155 North Candler street. He is survived by his parents.

W. W. Young.
W. W. Young, Jr., the small son of Dr. and Mrs. W. W. Young, 113 Forrest avenue, died Sunday at a private hospital. Besides his parents, he is survived by his grandfathers, Dr. W. J. Young, of Atlanta, and Dr. W. J. Young, of Atlanta.

Joseph Harold McMullen.
Joseph Harold McMullen, 9-year-old son of Mr. and Mrs. Homer McMullen, died Sunday night at a private hospital. Besides his parents, he is survived by three sisters, Mary, Frances and Emily.

John A. Hughes.
John A. Hughes, 31 years old, died Sunday at the residence, 54 West Fifth street. He is survived by his wife, two small children, his father, Dr. H. H. Hughes, of Knoxville, Tenn.; one sister, Mrs. Harry Long, and one brother, Columbus Hughes, both of Atlanta.

Mary L. Post.
Mary L. Post, the 2-year-old daughter of Mr. and Mrs. B. J. Post, of 1232 Paynes avenue, died Monday afternoon at the home. Besides her parents, she is survived by four brothers, Grady, Barnie, Willie and Mervyn Post, and three sisters, Minnie, Annie and Bennie Lee Post.

Mrs. Nancy A. Chandler.
Mrs. Nancy A. Chandler died Sunday at the residence, 54 West Fifth street. She is survived by her mother, Mrs. M. A. Fry, of Griffling, one daughter, Mrs. R. C. Cannon, one son, Earl P. Chandler, of Atlanta; three sisters, Mrs. W. C. Elder, of Griffling; Mrs. F. S. Leister, of Montgomery; and Mrs. John Jenkins, of Blakely; and two brothers, E. E. Fry, of Luthersville, and P. R. Fry, of Newnan.

3 KILLED, 2 INJURED IN NEW ORLEANS FIRE

New Orleans, March 7.—Three firemen were killed and two others seriously injured late this afternoon when the brick wall of the Jackson Avenue Evangelical Sunday school and parish house fell on them as they were fighting a fire that raged within the building.

The dead: Lieutenant James McDonald, Peter Conrad, pipe man, and Charles Van Quaren, pipe man, all of Engine Company No. 23. Origin of the flames has not been determined. So far as is known no one entered the building at any time today. The damage to the building and contents is estimated at \$35,000.

RIGHTS FOR JAPS IN YAP MANDATE

Accepted Control Only Provided Her Citizens Be Given All Advantages in Mandated Lands.

Washington, March 7.—(By the Associated Press.)—Japan accepted the mandate for former German possessions in the Pacific north of the equator, including the Island of Yap, with the reservation that Japanese citizens should not be subjected to a discriminatory and disadvantageous treatment in other mandated territories.

This was disclosed in the complete text of the mandate granted Japan by the league of nations which was obtained today at the state department. The reservations stipulated by Japan was similar to one advanced by the American government in reference to Mesopotamia in its recent note to the league of nations in which exception also was taken to the declaration in the preamble of the mandate that it was conferred in accordance with an agreement between "the principal allied and associated powers."

The United States has maintained that it was never a party of the agreement by which Yap was conferred upon Japan and it has also insisted upon equal commercial opportunities for all nationals in the mandated territories. Japan's contention for equal opportunities is understood to apply particularly to the mandated territories south of the equator in the Pacific awarded Australia.

Beside the grant of freedom only to nationals of state members of the league of nations for the proposed mandate, the Japanese declaration in the mandated territory, the text of the mandate in the opinion of the council of the league of nations is required for any modification of its terms.

The council of the league, in its recent reply to the American note concerning the award of Yap to Japan, stated that this was a decision which would have to be settled between the principal allied and associated powers, both of whom of the league was only an administrative one.

Macon Men Held After Alleged Airplane Theft

Macon, Ga., March 7.—(Special.)—The first arrest in Macon for the alleged theft of an airplane was made here today when J. L. Johns and B. H. Persons, both of Macon, were taken into custody at the request of the chief of police of Orlando, Fla. The two men stated, after their arrest, that they have been with another man in the past several days, and he is thought to have preferred the charge against them.

The two were arrested as they alighted from the machine at Central City park. Later, when they were taken to the police station, a banker has on the machine, they were released pending further word from Orlando authorities. In the meantime, the airplane is being held under police guard at the local flying field.

WILL CALL FOR PROBE OF BERGDOLL ESCAPE

Washington, March 7.—Investigation of the escape of Grover Cleveland Bergdoll, draft dodger, from the military prison at Philadelphia, will be called for in a resolution to be introduced the first of next week by Chairman Kahn, of the house military committee.

Let's Make Every Day FISH DAY

Tomorrow, Wednesday, March 9, has been set apart by the federal government as **NATIONAL FISH DAY.**

The idea is good. It will serve to direct the attention of the people to the great food value of fish, as well as the tasty and appetizing dishes which may be easily prepared from all sea foods.

Just What We Have Told You

For more than 15 years Fulton Market has been preaching a n d demonstrating the fine food values of fish.

Cooked right and cooked well, there is no more wholesome or satisfying food.

By bringing to Atlanta fish and other sea food as fine and fresh as it can be had at the coast, Fulton Market has made it possible for Atlanta to have "Fish Day" every day in the year.

It's a good plan and a healthful one. Let's try it.

Body of Georgian Scalded at Sea To Be Returned

Carl F. Edwards, Savannah, Met Death in Attempt to Rescue Shipmates.

Washington, March 7.—(Special.) The shipping board advised Senator William J. Harris today that they had sent a cablegram to the Azores directing that the body of Carl F. Edwards, a water tender on the S. S. Tucanook, who was scalded to death when a boiler tube burst on the vessel, off the west coast of Africa, be prepared for shipment to Georgia to be given into the care of relatives. Edwards is a brother of J. R. Edwards, clerk of the superior court of Evans county, Clayton, Ga., and comes from that section of the state.

The ship is a shipping board vessel under New York brokers, and they have informed Edwards' relatives that the body was being sent to the Azores for burial. Senator Harris asked that the remains be sent to the relatives in Georgia, and the shipping board will furnish transportation.

REVIEW IS REFUSED IN N. C. & ST. L. CASE

Washington, March 7.—The supreme court today refused to review the decision of federal courts in Nashville, Tenn., holding the government could collect from the Nashville, Chattanooga and St. Louis railway claimed to be due because of "incorrect and erroneous returns" for 1909. Internal revenue officials refused to approve deductions made by the road for depreciation of roadway, although allowing similar deductions for depreciation of equipment.

"They WORK while you sleep"

FOR THE BOWELS

Skin Sufferers Do Not Want Mere Temporary Relief

Of course, if you are content to have only temporary relief from the terrifying itching and burning of fiery, flaming skin diseases, then you are satisfied to remain a slave to ointments, lotions and other local remedies applied to the surface of the skin. Such form of treatment, however, can make no progress whatever toward ridding you of the discomfort which often becomes a real torture.

But if you desire to free yourself from any form of skin disease, first of all you must realize that any disease must be treated at its source.

Real genuine relief from eczema,

In a new thermometer a flag automatically points the degrees of temperature on a circular horizontal scale.

Skin Sufferers Do Not Want Mere Temporary Relief

tetter, scaly eruptions or any other form of skin irritations cannot be expected until you free your blood of the germs which cause these disorders. And for this purpose there is no remedy that gives more satisfactory results than S.S.S., the fine old blood remedy that goes down to the source of every blood disorder and routs out the germs which cause the trouble.

S.S.S. is sold by all druggists. Begin taking it today, and if you will write a complete history of your case, our medical director will give you expert advice without charge. Address Chief Medical Adviser, 821 Swift Laboratory, Atlanta, Ga.—(adv.)

Emergency Sale Of
Creo-pine Fence Posts

25,000 of the famous Creo-pine posts must either be offered at a price which will sell them right now, or we will be involved in the expense of several times handling to move them to our new plant.

We'll take the money loss as the quickest way out of an emergency problem—Our big sacrifice is your big gain.

While this lot of finest quality, Creo-pine fence posts lasts we will fill orders at the unusually low prices quoted below.

Creo-pine posts are heavily creosoted under tremendous hydraulic pressure and last from 30 to 40 years. They outlast iron or concrete posts and last three times as long as home-treated posts.

Look Sharply At These Prices

Round Creo-pine Fence Posts.	6-Foot Lengths.	7-Foot Lengths.
3 to 4-inch tops	25c each	30c each
4 1/2 to 5-inch tops	33c each	35c each
Sawn Creo-pine Fence Posts.		
3x4-inch tops	27c each	32c each
4x6-inch tops	42c each	47c each

F. O. B. Our Works. Cash With Order.

If you can use a car-lot (assorted sizes if you desire) or can get your neighbors to club with you on a car-lot of about 1,200 Creo-pine posts we will give you an extra discount of 5% from above prices.

We expect brisk trading on this remarkable bargain offer and caution you against delay if you want to get your share of these posts. No such bargain in hydraulically impregnated creosoted posts will ever be offered you again. You can profit greatly by hurrying.

Southern Wood Preserving Co.
712 Lee Street, Atlanta, Ga.DELAY IN PEACE
OPPOSED IN SENATEKnox-Porter Resolution
Expected to Be Rushed
Through Next Session
and Peace Declared.

BY LOWELL MELLETT.

United News Staff Correspondent.

Washington, March 7.—Delay in disposal of the Knox-Porter peace resolution, even if desired by President Harding, will meet certain resistance in congress.

Senator Knox does not anticipate a suggestion of delay and is convinced that a majority of his fellow senators are desirous of immediate action—action as soon as the special session convenes, that is to say, Representative Porter, chairman of the house foreign affairs committee, declared Monday that the house majority would be impatient of a proposal to put off any longer the official declaration that the war with Germany is ended.

Harding's Position.

President Harding is reported to believe that an official declaration of peace with Germany at this time not only would be resented by the government in its resistance to the allies' reparations demands, but that it would lend color in Europe to the German theory that the United States is disposed to side with the Germans in their present negotiations with France, England and Italy.

Canvass of senate sentiment indicates that the desire to end the state of war is strong. However, there is some disposition on the part of many to give the president an opportunity, if he desires it, to initiate a peace-with-Germany plan, rather than to rush through the Knox resolution. Any plan he may propose, it is believed, will include the Knox or a similar resolution, but many think it would be only courteous to permit him to be the author of the peace move.

"I have no doubt," said one senator who advocates the resolution, "that the allies would like to have us continue in our present anomalous state toward Germany. It suits their purpose. They would also like to find a way to make us carry the burden of the German reparations. But I cannot conceive of President Harding lending himself to the plan."

Everything in his record is against it. He voted for the resolution as a senator. His speech of acceptance and his inaugural speech carry further the idea that he wants peace declared as quickly as possible. There are sufficient votes in the senate to adopt the resolution and it will be done.

No Action Now.

Action on the resolution cannot be taken by the present extra session of the senate, since it is a joint resolution. But the committee of the house committee, believes no time will be lost once the extra session of the whole congress is under way.

"This house is weary of the state of war," he said. "We have now continued almost two years and a half in a state of war after the fighting ceased. The president continues vested with the extraordinary powers given him in wartime. President Madison, at the close of the war of 1812; President Polk, at the end of the Mexican war; and President McKinley, at the end of the Spanish-American war, promptly ended their wartime powers by treaties of peace. President Johnson did the same by proclamation, supported by legislative enactment, following the civil war."

INGROWN NAIL

Toe Nail Turns Out Itself

if You Toughen Skin

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrown nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgro" is harmless, antiseptic, manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.—(adv.)

The inability of President Wilson and the senate to agree upon a treaty of Versailles has prevented it thus far in the present instance. The house-senate resolution provides a way to put our own country back on a peace basis, so far as the treaty is concerned, and it should be utilized.

As for England and France, they are in a poor position to object to such action. They are at peace with Germany. Their ambassadors are in Berlin and German ambassadors are in London and Paris. We alone are cut off from resumption of normal relations."

IF BOND FRIENDS VOTE,
SUCCESS IS ASSURED

Continued From First Page.

ward, making twenty-two in all, have been provided to handle the vast vote which is expected, but even this number may be taxed to capacity to accommodate the rush. Therefore we advise and most strongly urge this.

That unemployed women vote early, so as to clear the voting booths, as much as possible for the throng of employed men and women who will go to the booths in the late afternoon, will be a voting rush in the early morning, and another voting rush in the afternoon, by employed men and women. If women not employed will take advantage of the bond issue, these rushes, it will help a great deal.

We ought to be able to put in the ballot boxes by 4 o'clock in the afternoon a vote big enough to carry the bonds. All that comes off will be for good measure, to eliminate any possibility of failure. The votes of the women in the final analysis will decide the bond issue, and we urgently request every woman in Atlanta, who is not employed away from home, to put her ballot in the last box before the polls will clear the way for the afternoon rush.

Votes Against Bonds.

"We have information that in campaign headquarters the opposition have turned loose at the eleventh hour a large number of men in reserve, and that these late registrants will not vote at all, but will act as there is upon the issue. This was exactly what we expected, since a stay-away vote is a vote against the bonds. Therefore, again, and with redoubled emphasis, we desire to impress upon every friend of the bond issue the absolute and vital necessity of going to the polls and voting."

Campaign headquarters in the city hall will be open throughout the day, and all bond workers desiring information or assistance are invited to call at the city hall, telephone, Ivy 1348 and Ivy 1349."

J. W. MADDOX ELECTED
AND SWORN INTO OFFICE

Continued From First Page.

many months. Council chamber was crowded. There were a number of representatives of the Law Enforcement league that has been working for the election of a Mayor. A Mayor was there and was supported by Dr. C. O. Jones, superintendent of the Anti-Saloon league, and a number of other well-known citizens, who have sought a change in police board affairs.

On the other side were scores of men, intimately identified with the inner workings of city politics on hand. They were being jovially greeted by Maddox. Alderman Harry Goodhart pointed out the fact that the detective department, more or less vitally interested in the result of the day's elections, was numerously represented. "This would be a pretty nice time for crooks to be busy in Atlanta," remarked the alderman. "All our detectives seem to have found some field for duty attending a meeting of general council."

Desperately-Fought Races.

In addition to the Barrett-Maddox race there were two other desperately-fought races for positions on the police board. John S. McClelland, former member of general council and well-known young attorney, was elected third ward commissioner. His opponent, Orville Hall, whose candidacy was announced after Solicitor General John A. Boykin had declared that it would be the duty of the city to elect a man to the fact that as their attorney in the case had been closely allied with the confidence game operators, for whose apparent immunity for years the detective department has been under the grand jury's fire for the past two months. McClelland defeated Colonel Hall, 17 to 15.

Dr. W. C. Brewer was beaten by Police Commissioner W. C. Stradley, who was a sixth ward candidate for re-election. Commissioner Stradley has been allied with the faction that has stood with the detective department against the solicitor-general throughout the weeks of warfare.

The vote was 16-15, but Stradley was elected when Mayor Key, after announcing the tie, promptly broke it by his supporters, and he was for the incumbent.

Talk about the city hall all afternoon was that council had pretty well aligned itself into factions favorable to Chief of Detectives Lamar Poole and against McClelland in the election of the three contested commissioner places. And the votes in all three races showed few changes.

Votes In Contests.

Here are all the votes:
Hall, Spratt, Cochran, Wilder, McClelland, Goodhart, Renfro, Wood-all, Ashley, Nutting, Hoffman, Buchanan, Jones, Sims, Alford, Olson—15.
McClelland: Seawright, Garner, Chasewood, Davis, Williamson, Carpenter, Wardlaw, Martin, Stone, Gordon, Etheridge, Couch, Richards, Bon, Anderson, Callaway, Murphy—17.

This line-up held pretty well all the way through. The Maddox-Barrett fight, Alderman Cochran, who voted for Hall, voted for Maddox. Said Councilman Nutting, but this was more than offset by the fact that Councilman Stone, Gordon, and Etheridge of the McClelland forces voted for Barrett. Alderman McClelland and Hoffman, who voted for Maddox, however, were recorded as voting for Maddox and the mayor or so proclaimed.

In the Brewer-Stradley race, the ratio of changes was about the same. Alderman Cochran, who voted for Maddox, voted for Brewer, as did Alderman Carpenter, but Councilman Gordon went back to his original line-up, voting for Stradley as did Councilman Callaway.

Two Other Votes.

Here is the way the two votes are recorded:
Barrett: Wilder, Goodhart, Renfro, Woodall, Stone, Ashley, Gordon, Etheridge, Buchanan, Jones, Sims, Callaway, Alford, Olson—14.
Maddox: Spratt, Seawright, Chasewood, Davis, Williamson, McClelland, Davis, Williamson, Carpenter, Wardlaw, Martin, Couch, Richards, Bon, Anderson, Callaway, Hoffman, Murphy—18.

Stradley-Ker, Spratt, Seawright, Chasewood, Garner, Davis, Williamson, Wardlaw, Martin, Gordon, Couch, Richards, Nutting, Rogers, Anderson, Callaway, Murphy—15.

Brewer-Cochran, Wilder, McClelland, Goodhart, Carpenter, Renfro, McClelland, Buchanan, Jones, Sims, Alford, Olson—15.

Councilman Wood was the only member not present and he arrived in the city hall at 10 o'clock. In the meantime, the mayor had surrendered the gavel to the mayor pro tem, and was in his office attending to the swearing in of Maddox, which took place at the first of the day. There was also a hurrying of the Maddox supporters from the hall.

Just about this time, Alderman Goodhart, who had been watching his head since the announcement of the Barrett-Maddox vote, asked the city clerk to see the official ballot. He looked at it and said, "I had it a tie vote."

He explained, "I had Alderman McClelland and Councilman Hoffman checked for Barrett."

Examine the Ballot.

"I voted for Barrett," announced Alderman McClelland.

"What's this?" said Councilman Hoffman hurrying to the front. "How has he got out voting?"

"For Maddox," answered the clerk, looking at the tally sheet.

"My duty," announced the councilman, "I certainly voted for Barrett."

After matter was pending just at that moment, but as soon as it was disposed of, Alderman Goodhart called attention to the error. The fact that an error had been made was quickly pointed out by Clerk Barnes said that he had misunderstood the vote in the reigning confusion and had made the mistake.

But it was something else again when it came to the tally sheet. The city attorney was appealed to for advice. He ruled that inasmuch as the election result had been proclaimed by the mayor, Commissioner Maddox was certainly elected despite the fact that he didn't get enough votes.

Alderman Goodhart was obdurate. "Do you mean to say that there is no recourse, no relief whereby we can have the vote correctly recorded? We know that this vote has been incorrectly proclaimed, whether fraudulently or through mistake, and the certainty must be a way of correcting it."

Hoffman's Position.

Councilman Hoffman came forward. "I don't know the parliamentary law in a case like this, but I know this—I voted for one man and I am down here as voting for another. If we can't correct a mistake like this, there is no use of my voting at all. Any election suit that the mayor chooses to announce is the result of the election, whether the votes were cast that way or for an entirely different proposition. Personally, I am going to see to it that my vote is recorded as for Barrett."

Here the Maddox faction got all stirred up. Councilman Nutting wanted to know if the vote couldn't be corrected. The mayor recalled to the chair, and he be called on to cast the deciding vote. He explained that a manifest injustice would be done Maddox if a new election was ordered. Councilman Wood was for Barrett, on the other hand, several of the Maddox supporters had departed, presumably for the swearing-in ceremonies.

De Veto Proposition.

The city attorney, however, held to the position that council would have to go into the election as a de novo proposition. There was a vast scurrying about, a vast making of motions, and substitutes, and amendments, and requests for opinions. Maddox was being conferred with by his supporters, and he evidently agreed to go into a new election, for when that motion was made by Alderman Goodhart, it was seconded by Councilman Couch, Maddox's chief sponsor.

The mayor was summoned to preside over the new election. He arrived after a wait of ten or fifteen minutes and mounted the rostrum with Councilman Etheridge and Alderman Goodhart.

With an expression on his face that he would like to know what it was all about, the mayor blandly inquired for what office the gentlemen

were attempting to make the nominations.

He was duly and officially informed of the situation. The mayor then declared that he had proclaimed the election of Maddox, that Maddox had been sworn in, and that there was no vacancy to fill. He suggested that council would have to have the place declared vacant before an election could be held. Under the charter the mayor presides only at elections. He said that while council was discussing declaring a vacancy he had no business presiding, as that would be no election. He surrendered the gavel.

Suggests Court Action.

The city attorney, being called on again, said that the mayor's position was correct and suggested that legal action, quo warranto procedure, was the method to be employed.

Later Alderman McClelland and Councilman Hoffman introduced a resolution that the votes had been erroneously recorded through mistake and that council accordingly declare the position of fifth ward police commissioner vacant and proceed with an election to fill this vacancy at the next meeting of council.

Councilman Nutting wanted the election to be held Thursday when council meets to canvass the bond election vote. To this Alderman Goodhart objected and his objection

held. The resolution as originally drawn was adopted.

Asked what steps he would take in the matter Commissioner Maddox declared that he was not anxious for the office unless he was entitled to it. "I'm going to see the mayor about where I stand now," he said. Predictions were freely made about city hall after the meeting though that if Maddox should be defeated at the regular meeting of council, he could claim the office nevertheless, and that the court would have to rule on the question finally.

The Colonel Fooled Me Again
This Time He Did It With His Car

FRIDAY night, I saw him down in front of Perkins' hardware store, with his car. We kind of joshed him a bit about how the old car was growing grey like his whiskers. With that, he smiled and said: "Just you wait."

Sunday morning—only two days later—he whizzed by with that car a beautiful jet black and shining like a bottle. Saw him at church and all

I could get out of him was: "Did it myself. If you don't believe it, ask Mrs. Colonel. She got a lot of new furniture out of a can of Lowe Brothers' Vermorel, and I got that new car out of a can of their Automobile Color Varnish. If I can do it, so can you." And by jimminy, I did. Did my car over Tuesday and used it on Friday morning. So can you. It's sold by the best dealer in each town.

CONGRESS TO MEET EARLY NEXT MONTH

President Harding in First Message Will Deal With Revision of the Tax System.

BY JAMES A. HOLLOWAY.
Washington, March 8.—(Special.) The sixty-seventh congress will convene in extraordinary session before April 4, and it might be a week later, President Harding announced this morning. It was noticeable that President

Harding made no specific recommendations in his inaugural address, further than in a general way suggesting a protective tariff, with the public to guess as to whether he meant high or low rates.

Contents of Message.
In his first message to congress, however, he will deal more firmly with public questions, and particularly urge a revision and a simplification of the tax system, specifying an elimination of excess profits and, if practicable, a reduction of so-called "objectionable" tax burdens.

Even in this he will deal more in generalities than anything else, for he is just as much at sea regarding tax revision as the average legislator who knows only that so much money must be raised in some way, and that for a certainty.

At any rate the extra session will do but little except to catch up the broken threads of the 66th congress that hold the government departments together and then deal with taxes and tariff in their order. Permanent tariff legislation will be the last item on the program, though a temporary experimental bill will go through early in the session.

Heavy Appropriations.
The appropriations for the next fiscal year, including the eleven measures passed and signed by the president, the army bill passed by both houses, killed by a "pocket veto" and the naval bill, which was filibustered to death in the senate, ran above \$1,000,000,000. Included in this total is about \$500,000,000 for the postal service paid out of postal receipts.

The revenue in prospect during the fiscal year beginning July, 1921, and ending June 30, 1922, totals about \$5,350,000,000 on the basis of present laws. After taking into account the greatly diminished returns caused by the slump in business activity, the treasury department has estimated that the present schedule of internal taxes will yield approximately \$4,000,000,000 for that fiscal year. Other revenues include \$250,000,000 customs receipts in prospect under the present tariff law, postal receipts amounting to about \$500,000,000 and miscellaneous receipts amounting to about \$500,000,000 more.

General Deficiency.
This, on the face of the estimates, will produce a surplus of approximately \$1,500,000,000, but it must be understood that congress appropriated one-third less than department estimates, which will yet be covered undoubtedly by a general deficiency bill. It takes \$1,000,000,000 a year to pay the interest debt,

and then there is the "soldier bonus" not taken into account.

The bonus bill, as reported from the senate finance committee, provided that its benefits should not be made effective until January, 1923, but agitation will be renewed in the extra session to advance the date. Senate leaders have suggested that the necessary funds be obtained by diverting for this public purpose the interest on the money owed the United States by European nations. Presumably by that time these debtor nations will have resumed payment of the \$500,000,000 annual interest. That is a "presumption," however, that is encumbered by many doubts.

Cost of Bonus Bill.
Estimates of the cost of the bonus bill range from about \$1,500,000,000, if all former service men took cash, to \$5,000,000,000 if other forms of adjusted compensation were preferred.

Figured any way one's fancy may direct there is no prospect of a return to pre-war taxes in the lifetime of the average taxpayer of today, and how to raise necessary funds, and at the same time eliminate or even curtail the "burdens," and the loudly acclaimed "objectionable taxes," is one of the knottiest problems that confront the new administration.

As the republicans waged their campaign with a "tax reduction" slogan, it is an inherited penalty of success.

In a short talk this evening at the National Press club's "hobby night" entertainment President Harding declared his favorite hobby was to help the fellow who is down and out.

"If there is somewhere a human touch that awakens disappointment into hope," he said, "that is the finest hobby in the world. If in my own responsibility I can in understanding and sympathy and in stern devotion to country find the touch that transforms the disappointments of yesterday into the fruition of tomorrow, then I shall have practiced the dearest hobby, to me, in the world."

COUNCIL OF LEAGUE WILL MEET IN JUNE

Paris, March 7.—The next meeting of the council of the league of nations will be held at Geneva June 6. This meeting was called today by Dr. Gastao Da Cunha, of Brazil, president of the council.

A typewriter invented by a Belgian is available and is capable of a speed of 150 words a minute.

SENATE COMPLETES ITS ORGANIZATION

Senator Cummins Defeats Democratic Opponent for President Pro Tem.

Washington, March 7.—The senate completed its permanent organization today, ratifying republican caucus decisions by re-electing Senator Cummins, republican, Iowa, president pro tem, and all other officers who served during the last session.

Senator Underwood, democrat, Alabama, as minority leader, proposed Senator Pittman, democrat, Nevada, for president of the senate, and asked for a roll call, on which Senator Pittman was defeated 23 to 42, the division being on straight party lines. The senate later went into executive session President Harding.

Last year the United States imported more than 400,000 pounds of human hair from Hong-Kong. It is cheap stuff in China, being valued at less than \$2 a pound, wholesale.

American Archbishop Becomes a Cardinal At Secret Consistory

Rome, March 7.—(By the Associated Press.)—Dennis J. Dougherty, archbishop of Philadelphia, today took his place among the princes of the church after a secret consistory, at which Pope Benedict announced the creation of six new cardinals.

The new American cardinal succeeds the late Cardinal John A. Farley, of New York.

Papal emissaries were immediately dispatched to the American college, where Cardinal Dougherty is residing, bearing the "bigiotto," the notice of elevation to the sacred college.

Monignor Cerretti, the papal secretary of state, read the "bigiotto" to Cardinal Dougherty. In reply Monignor Dougherty expressed his thanks for the great honor that had been conferred through him on all American Catholics. He said the creation of a new American cardinal had been received with satisfaction by all Americans, even by non-Catholics, because it was an honor conferred on an American citizen by which the mother country also was honored. Immediately after this ceremony church dignitaries and diplomatic representatives to the vatican began arriving at the American college to pay their respects to Cardinal Dougherty.

Socialists Plan White House Picket For Eugene V. Debs

Boston, March 7.—The white house will be picketed by socialists in connection with the campaign to be conducted at Washington in the interests of amnesty for Eugene V. Debs and others whom they designate as "political prisoners." Announcement of a vote to this effect at a special session of the national executive committee of the socialist party here yesterday was followed today by decision to continue the sessions in New York tomorrow so that plans for the campaign may be considered in conference with Mrs. Harriet Stanton Blatch, who will head the socialist lobby at Washington.

WINNETT COUNTY COURT IS CONVENED

Lawrenceville, Ga., March 7.—(Special.)—The March term of the Winnett county court convened Monday morning, with Judge Blanton Fortson presiding.

The grand jury was soon selected, sworn in and charged by the presiding judge. Hon. A. E. Ewing was selected as their foreman. Solicitor W. O. Dean is present in the interests of the state. The criminal side of the court will be held.

A Norwegian electrician has invented a push button which indicates that its signals are heard where intended.

CHENEY'S EXPECTORANT

BLUE RIBBON PEACHES

(DRIED)

You need not deprive yourself of the pleasure and benefits of eating fresh fruit in the winter time now that California Peaches are available at all times of the year.

Blue Ribbon Peaches are fresh peaches with only the water removed. They have the same flavor, the same health-giving qualities that are contained in the fruit while hanging ripe on the trees. They offer the opportunity to vary the monotony of the daily meals at a time of the

year when fresh fruits are practically unobtainable.

Health authorities agree that more fruit should be eaten and this is especially true for the winter months. Try these California Peaches, picked from the trees when fully ripened and packed in sanitary cartons ready to be used in the most appetizing desserts you have ever tasted.

Ask your grocer to supply you with Blue Ribbon Peaches.

DODSON WARNS CALOMEL USERS

It's Mercury! Attacks the Bones, Salivates and Makes You Sick.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel. It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and cannot salivate. Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless. Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.—(adv.)

Locks the Plates Apart**VESTA Storage Battery**

The plates of a storage battery must be kept apart. Otherwise current will not flow. This is the first great law of storage battery building—the weakest point in most batteries—the strongest in the Vesta.

Dealers

Vesta dealers prosper because we, in addition to furnishing a first-class, salable product, equip them with the necessary knowledge and apparatuses to render the kind of service car owners most appreciate.

GEORGIA DEALERS MEET THURSDAY

Georgia Automotive Dealers' Association to Meet During the Big Auto Show.

Approximately two hundred members of the Georgia Automotive Dealers' association are expected to attend their big meeting here Thursday. The place of meeting has not yet been announced. P. A. McGahee, executive secretary of this association, stated Monday that many matters of vital importance to every dealer in the entire southeast would be discussed and that several very important business matters were to come up for disposition. The meeting, coming as it does during the very midst of the south's greatest exhibit of motor cars, will make it possible for members to attend both affairs. An especially interesting program has been prepared, and several big men of the industry will address the body. The show committee has arranged for the members of the association and other dealers attending the meeting to secure admission badges for the show, which will permit entrance and exit at will during the show.

AUTO EQUIPMENT JOBBERS TO MEET HERE

President Yancey Anticipates Representation From Every Member.

The Southern Automotive Equipment Jobbers' association will meet here Friday and Saturday at the Capital City club in their annual meeting. Ed. Yancey, president of this association and sales manager of the Elvea company, stated Monday that reports from the various members indicated that every firm would be represented. This association is composed exclusively of wholesale automotive equipment firms, and though small in number, they are all large firms whose business contribute greatly to the size of the automotive industry in the southeast. E. H. Baughman, manager of the Osburn-Abston company, here, is secretary and treasurer, and E. H. Rogers, of Jacksonville, is vice president.

Grocers' Troubles Will Be Presented In Picture Tonight

An extensive educational campaign will be launched by the Atlanta Retail Food Dealers' association among the retail grocers of the city, for the purpose of elevating the standard of retail distribution of groceries at a meeting in the chamber of commerce assembly hall. The National Cash Register company, which is working in conjunction with the various food associations throughout the country for the purpose of organizing the industry will present a motion picture film especially prepared by them, entitled "The Troubles of a Grocer," which will be the feature of the meeting Tuesday night. All members of the grocers' business, their families and clerks, are invited to attend, irrespective of whether they are members of the association or not.

OAKLAND SALES HEAD TO ADDRESS DEALERS

Southern Oakland Dealers' Convention Wednesday at Capital City Club.

One of the well known and prominent faces which is familiar to the automobile men throughout the country is that of Mr. C. J. Nephler.

C. J. NEPLER, general sales manager of Pontiac, Michigan.

EWING MOVES MONDAY INTO NEW QUARTERS

J. O. Ewing, a well-known attorney, moved Monday into his new office, 306 Peters building. Mr. Ewing had been associated with Attorney John Y. Snider since 1916. He was admitted to the bar in 1918. Mr. Ewing first took up the study of law when he was employed as investigator of John A. Boykin, who at that time was practicing law in Atlanta. When Mr. Boykin was elected solicitor general in 1918, Mr. Ewing became associated with Mr. Smith.

DORRIS SALES MANAGER VISITS BIG AUTO SHOW

Beautiful Array of Motor Vehicles, With Good Music, Is His Description.

J. T. Rumble, general sales manager of the Dorris Motor Car company, is one of the big motor car officials attending the great southern automobile show here this week. Mr. Rumble is highly pleased with the exhibit here, and commends the local association on such a creditable showing of motor vehicles of every description. You have a beautiful array of motor vehicles and excellent music, as well as a good attendance of the higher type of men and women, many of whom are strikingly familiar with motor car construction. "I am surprised at the large percentage of people who visit our booth on the stage who really know good construction in an automobile," said Mr. Rumble. The Dorris booth shows two standard Dorris models and a Dorris chassis showing the construction of their car and its working parts.

AUTO SHOW SALES EXCEEDING HOPES

Continued From First Page.
Increased Tuesday when the dealers' meetings began. The Buick dealers meet Tuesday at the Capital City club, with E. T. Strong, general sales manager of the Buick factory, as the principal speaker. Among the other officials who will speak are P. A. Keating, head of the factory service department; C. C. Cottingham, Buick distributor for South Carolina, and Lee A. Folger, sales manager at Charlotte, N. C. The Studebaker dealers will also meet during the day at the same place with H. A. Biggs, vice president; G. W. Sweet, assistant sales manager, and F. M. Piper, Atlanta branch manager, as the principal speakers. A feature of the meeting will be a motion picture of the new Studebaker light six plant at South Bend, Ind. Wednesday the Southern Oakland dealers will gather at the Capital City club with Fred W. Warner, president and general manager of the Oakland Motor Car Co. of Pontiac, Mich.; C. J. Nephler, general sales manager, and officials of the Southern company as speakers. Tuesday between noon and 1 p. m. it's just splendid—(adv.)

Nose Clogged From A Cold Or Catarrh

Apply Cream in Nostrils To Open Up Air Passages.
Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone. Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your nostrils now. Apply a little of this fragrant, antiseptic cream in your nostrils. Let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid—(adv.)

THIS IS A STUDEBAKER YEAR

**Public Confidence in Good Gasoline Service Is Fully Justified**

FOR SOME TIME PAST, subtle propaganda has appeared in newspapers which has, (possibly contrary to the intentions of those responsible for it), frankly questioned the honesty of gasoline merchants and, at the same time, discredited the intelligence of the average buyer of gasoline.

The sum and substance of this propaganda is based on the old theory (long since exploded) that one must see what one buys not to be cheated.

It is no more necessary to see gasoline when it is purchased than to see the contents of a can labeled "tomatoes." The only satisfactory basis for buying is confidence in the seller.

If oil and gasoline merchants were dishonest, it would be our recommendation that the public insist upon being served with gasoline from a TIN MEASURE—and closely watch the operator fill it and empty the contents into the automobile reservoir.

BUT THESE MEN ARE NOT DISHONEST

From our experience, during thirty-five years of close contact with oil and gasoline merchants, we know them as a class—KNOW they desire to be fair, and that their success, like the success of any other business, has been built upon their honest dealing and good service to the public.

Good SERVICE is really what the public demands. It embraces many qualifications, chief among which are Accuracy in Measuring the desired quantity of Gasoline, Safety from Possible Explosion, Economy of Time and Separation of any condensed moisture or foreign matter from the gasoline.

And that is just what you get when you patronize a Bowser Piston-Type Measuring Pump, with its unique Centrifugal Water Separator.

When you buy gasoline, look for the BOWSER name on the pump.

**DR. WILMER TO SPEAK
TO PI KAPPA ALPHAS**

Dr. C. B. Wilmer, rector of St. Luke's Episcopal church, will be the principal speaker at a banquet by members of the Pi Kappa Alpha fraternity, to be held Tuesday night at the North Avenue Presbyterian church. Dr. Wilmer's subject will be taken from important topics of the day. Preparations have been made to entertain about two hundred guests.

**ATLANTA ENGINEERS
HOLD MEETING TODAY**

A meeting has been arranged by the Atlanta section of the American Society of Civil Engineers, at which Dr. Charles M. Strahan, professor of science and engineering at the University of Georgia, and chairman of the state highway commission, will deliver the principal address on "The Problem of the State Highway Commission." The luncheon will be held at the Daffodil tea room at noon on Tuesday.

**NEW HOME FOR MOTOR
TIRE COMPANY OPEN**

The Motor Tire company, distributors for Kelly-Springfield tires, are now located in their new home on West Peachtree and Mills streets. Their new home is one of the most modern in the south and consists of more than 15,000 square feet of floor space, part of which is devoted to a gasoline and oil filling station. Their large vulcanizing and repair plant and their solid tire mounting equipment occupies more than 7,000 square feet. An innovation in the way of service offered the motorist by this company is free road delivery of gasoline and oil as well as tires and tubes, to their patrons.

**CONVENTION OF BUICK
DEALERS HERE TODAY**

E. T. Strong, Buick Sales Manager, and Others to Address Large Dealer Body.

Today might be termed "Buick day" at the auto show, as over 100 Buick dealers from the southeastern territory will visit the Auditorium.

F. A. Petrie, assistant general sales manager of the Dorr Motor Car Company of Flint, Mich., a prominent show visitor, admits surprise of the magnitude and beauty of the Great Southern Automobile show at the Auditorium.

"You have a better show from every point of view than I had expected to see. Your display of cars are excellent. The number of exhibitors speaks well for the judgment, optimism and foresight of your distributors here, as well as being unmistakable evidence of their faith in the southeast and the automobile business."

The volume of business done in proportion to the attendance is as good as it has been at other cities. Though the business done at shows this year has been highly satisfactory at all shows which I have attended, and for our company at least, much greater than former years," said Mr. Petrie.

The new model Dorr being shown in Atlanta for the first time is one of the most popular models at the show, and is a radical departure from previous Dorr body lines, but its chassis is the same as former models except that it has been lengthened and several minor refinements made. Mr. Boykin, of the McNeel-Boykin Motor company, stated Monday evening that they had sold three Dorr during the day.

rum. The Buick dealers are here at the special invitation of the Atlanta branch management, which has prepared an interesting business meeting for today at the Capital City club.

E. T. Strong, general sales manager of the Buick Motor company, will be on hand and address the Buick gathering on timely subjects of interest to automobile merchants. Other speakers on the program are C. C. Coddington, Buick distributor at Charlotte, N. C.; Byron H. King and Benjamin F. Ulmer, manager and assistant manager of the Atlanta branch.

Following is a partial list of the firms handling Buick product which will have one or more representatives present at the meeting:

W. H. Adams, Madison, Ga.; Arington Buick company, Rome, Ga.; Athens Buick company, Athens, Ga.; Averitt Auto company, Statesboro, Ga.; Bartlett Hardware company, Cedartown, Ga.; Bennett Buick company, Holly Hill, S. **FIRST LAMAR COURT
IS CONVENED MONDAY**

Raineyville, Ga., March 7.—(Special.)—The first session of Lamar county superior court opened Monday morning with a majority of the attorneys of Flint circuit in attendance and large crowds of citizens of the new county, every community being largely represented. In celebration of the event the battalion of Gordon cadets and the student body and faculty of the school met Judge William E. H. Seary, Jr., as he arrived at 10 o'clock from Griffin and escorted him to the Masonic hall where the court is being held.

The grand jury organized with the election of A. J. Eley foreman and W. H. Hahr and J. W. Carraker, clerks. Judge Seary in his charge, congratulated Lamar citizens on the creation of the county. The session of the court will cover portions of this and next week. Solicitor General E. M. Owen, of Zebulon, will protect the interests of the state. There are a number of important civil cases to be considered this week. The criminal docket will be taken up next Monday.

Barn Leveled by Flames.

Lawrenceville, Ga., March 7.—(Special.)—The barn on the farm of F. C. Corbin, 2 miles west of Buford, on the Cumming road, was completely destroyed by fire Sunday afternoon. Seven bales of cotton belonging to Mr. Corbin, and nine bales owned by Burrell Moulder, were burned together with a vast deal of corn, cotton seed and a new buggy. The supposition is the fire was started by some children who had been playing with matches near the building. The loss will amount to about \$2,500, with no insurance.

**STRIKE PARALYZES
GREEK RAILROADS**

Athens, March 5.—All railway communication in Greece was suspended today as the result of a strike affecting every line in the country. The men are demanding increased wages and shorter hours.

SPRING IS COMING—TAKE GUDE'S PEPTO-MANGAN

Thousands of People Take It Every Spring to Regain Health and Fight Illness

MAKES BLOOD RICH AND RED
Helps to Build Up the Entire Human System with Life-Giving Oxygen

In the Springtime, after a winter sickness or long days spent up in the north, the blood becomes clogged with waste matter. The little red corpuscles in your blood become infirm. They do not absorb enough oxygen when they pass through the lungs. The tiny cells, billions of them, miss the nourishing effect of the oxygen, and faces become pale, bodies weak.

If you feel out of sorts, cranky, tired out most of the time, it is probably because your blood is weak. If you have no other disease, except pulling you down, you can be pretty sure your blood is weak and you need the help that Gude's Pepto-Mangan, the well known Spring blood tonic, gives.

Gude's Pepto-Mangan makes rich red blood and puts new life into the red corpuscles. If you are anemic (a thin-blooded condition) Gude's Pepto-Mangan will restore the right number of red corpuscles. You will notice a general improvement, better appetite, more restful sleep, better complexion, wide open clear eyes. Get Gude's Pepto-Mangan at your druggist's. He has it in liquid and tablet form. It makes no difference which you take, because the tablets and the liquid form both have the same medicinal value. Get the genuine Gude's Pepto-Mangan with the full name, "Gude's Pepto-Mangan," printed on the package—(adv.)

HOW TO GET RID OF CATARRH

A Simple, Safe, Inexpensive Method that Clears Out the Head, Nose and Throat.

There is no disease more offensive or disagreeable or no disease that will lead to as much serious trouble as catarrh. You can now get rid of it by a simple, safe, pleasant home remedy discovered by Dr. Blosser, a catarrh specialist.

Blosser's Remedy is composed of medicinal herbs, flowers, which you smoke in a tiny pipe or cigarette. The smoke-vapor is the air passages of the throat and chest and may be used by children as well as men.

This medicated smoke carries medicine where sprays and lozenges cannot possibly reach. Its effect is soothing and healing and is entirely harmless. If you are suffering from catarrh, colds, or subject to frequent colds, you should try this Remedy without delay.

Any well stocked drug store can supply Blosser's Remedy in cigarette or powder form for smoking in a pipe, or will order it for you. Satisfactory results guaranteed by a genuine, money-back offer.

DR. BLOSSER'S Medicated Cigarettes
May now be had at any drug store in a convenient pocket size

20 cigarettes for 35c

You Need a Good Watch and Should Get It From a Jeweler

Styles and sizes in watches have changed—for the better—in recent years.

The modern business man is fast discarding the large, bulky and inconvenient double case watch for the attractive and more convenient twelve size, open face, thin model, which "fits the pocket like a silver dollar."

You will enjoy seeing our ideal assortment of men's watches made by Gruen, Hamilton, Elgin, Waltham, Wittnauer, Patek-Philippe and Omega factories.

It is unwise to buy a watch as you would select a suit of clothes or other articles you expect to replace from time to time. A good watch should last you a lifetime, and it will pay you to receive the benefit of our thirty-four years' experience and large buying facilities.

Every watch we sell is carefully examined and rated to your requirements. You can't get this service unless you patronize a first-class jeweler.

Call at the store or write for our 1921 illustrated Watch and Jewelry catalogue.

SENATE CONFIRMS NOMINATIONS LIST

Fletcher and Lejeune Included—Many Army Officers Are Demoted by Failure to Take Action.

Washington, March 7.—The senate today confirmed a large number of nominations sent to it by President Harding. They included Henry P. Fletcher, of Pennsylvania, to be under-secretary of state. Also in the list were the names of Major General John A. Lejeune, reappointed commandant of the marine corps, and Brigadier General George Barnett, former commandant of the corps, to have the permanent rank of major general.

The nominations of Colonel Theodore Roosevelt, of New York, and E. D. Ball, of Iowa, re-appointed assistant secretary of agriculture, were referred to the naval and agriculture committees and will be acted upon later.

The following major generals dropped back one grade: J. W. McAndrew, H. H. Hines, and J. H. Hines. David C. Shanks, Adelbert Cronkhite, George W. Read, Omar Bundy, William M. Wright, Charles H. Muir, Charles T. Menoher and William C. Hagan.

Robbers On Job On Night Before Police Election

Pay Visit to Store in Which Commissioner Stradley Works.

While opponents were busily engaged Sunday evening and night laying plans for defeating W. C. Stradley, police commissioner from the sixth ward, robbers were busy trying to rob the store where he is employed.

As patrolmen examined the door of the store of C. W. Hatch and Co., clothing, they found the rear open. Believing someone had probably tried to enter or had entered, they sent an emergency call to Commissioner Stradley, which brought him from his slumber at his home on Luckie street. The lot of the thieves has not yet been ascertained.

Other robberies occurring Sunday night or early Monday morning included the plant of Kincaid Brothers, stationery manufacturers, at 180 Marietta street.

After gaining entrance to the place from a second story window by the use of a ladder, the gang descended to the office, where the smaller safe was opened, after the combination lock had been cold. Approximately \$50 in money and valuable papers were obtained.

A thirty bunch of thieves besieged the soft drink fountain of Sig Samuel, at 27 West Mitchell street, late Sunday night, and after enjoying several "rounds" of beer, supplied themselves with several brands of expensive cigarettes and cigars, and departed.

The Fulton County High School Sunday school was visited by robbers, who, after drawing pictures upon the blackboards and perusing a few comic books, departed, taking with them several articles that were left in the building Friday.

Sam Zimmerman, who conducts a general merchandise store at 174 Ira street, complained to the police Monday that burglars had paid his establishment an informal visit during the early hours of the morning and took a large quantity of merchandise.

MRS. BROTHERTON DIES
Funeral Services Will Be Held Wednesday.

Mrs. W. H. Brotherton, of 235 South Forsyth street, well-known Atlanta woman, died early Monday morning at the Georgia Baptist hospital, where she had been ill for the past month. She was the widow of the late Captain W. H. Brotherton, who was killed in the Spanish-American war, having come here with her husband immediately after the civil war, and her death will cause keen regret.

Mrs. Brotherton had always taken an active part in the life of the Methodist church for a number of years. She is survived by five sons, P. Brotherton, of Atlanta, and Ed. I. Brotherton, of St. Louis; three daughters, Mrs. W. F. Gilman and Mrs. G. L. Walker, of Atlanta, and Mrs. John M. Berry, of Rome, Ga. Funeral services will be held at Trinity Methodist church at 2:30 o'clock Wednesday, with the Rev. S. L. Reik officiating.

Justices Deny Mail Privilege To Berger Paper

Whatever Injuries Relator Suffered Resulted From Own Choice, Says Clark.

Washington, March 7.—Authority of the postmaster general, Albert S. Burleson, to withdraw second class mail privileges from any publication which violated the espionage act through printing articles "tending to treat insubordination or disloyalty" in the military or naval forces, was upheld today by the supreme court. Associate Justice Brandeis and Holmes dissented.

The court sustained the supreme court of the District of Columbia in its refusal to issue a mandamus order compelling the restoration of the privileges to the Milwaukee Leader, of which Victor Berger was editor. The leader in carrying its appeal to the supreme court, was joined by the New York Call, a newspaper also denied second class mailing privileges during the war.

"Whatever injuries the relator suffered was the result of his own choice," declared Associate Justice Clark, who in reading the majority opinion, recited excerpts from articles in the newspaper by the government in support of Mr. Berger's action. The articles were not designed to secure a modification or repeal of the laws they criticized, but were intended to stir up opposition to them, and internal strife.

The court granted the classified privileges, Justice Clark held, carried with it authority to withdraw them for the postal authorities attempting to scan each separate issue of a newspaper submitted to the mails to determine whether it was in violation of the law, as general mail. The court thus made his order cover "the indefinite future."

Justice Brandeis, in his dissenting opinion of more than 5,000 words, took issue with the majority upon practically every point. He declared the government's action "unjustified and unconstitutional."

ASK \$1,000 FUND TO CATCH SLAYER OF TAXI DRIVER

Sheriff James I. Lowry will have a conference with Governor Dorsey Tuesday, according to the sheriff, with a view of offering a reward for the capture of the slayer of Charles Dorsey or for information leading to his arrest.

It is understood that the sheriff will ask the governor to make the reward \$1,000 and that the sheriff will be posted with the sheriff by fellow taxi cab drivers as a reward, making the total \$1,000.

The police were holding J. L. Davis, 19 years old, a chauffeur who lives at 89 Broyles street. He was arrested Saturday night on suspicion that he knew something of the murder. Thus far he has stoutly denied any complicity or any knowledge of the crime.

A score or more girls and women were examined Saturday by the police and by county officers working on the case under the direction of Solicitor Boykin.

YOUNG ATLANTA AVIATOR KILLED IN AUTO ACCIDENT

News reached Atlanta Monday of the death of Lieutenant Pittman M. Mills, of 2 Elizabeth street, who was killed Sunday night in an automobile accident at McAllen, Texas, as when the machine he was driving struck a buggy and overturned, breaking his neck.

Lieutenant Mills was a member of the Eighth aerial squadron, now doing service on the Mexican border, where he had been for the past two years. His mother, Mrs. M. M. Mills, of 2 Elizabeth street, where he had been for the past two years, was visiting him at the time the tragedy occurred.

Lieutenant Mills was a graduate of the Georgia Military academy and of North Georgia Agricultural college at Dahlonega, and entered the army when war was first declared. His ground training was received at Columbus, Ohio, and he was later sent to Kelly field, Texas.

He is survived by his mother, an aunt, Miss Liddle Wall, and two cousins, Aubrey and Van Wall. The body will be brought to Atlanta for burial.

President of Owls Denies Violation Of Federal Statute

Indianapolis, March 7.—John W. Talbot, of South Bend, Ind., national president of the Order of Owls, pleaded not guilty today to charges brought by United States Judge A. E. Anderson on the charge of violating the Mann act. Pearl Spangler, head nurse of the Owl hospital in South Bend, Indiana, charged, also pleaded not guilty, adding that she had been arrested setting the date for their trial.

SENATE RATIFIES FOUR TREATIES

These Are With Greece, Argentina, Portugal and Great Britain—No Action Upon Colombian Pacts.

Washington, March 7.—The senate received today from its foreign relations committee the Colombian treaty and ratified treaties with Greece, Argentina, Portugal and Great Britain.

The Greek treaty covered commercial questions; the Portuguese treaty extended the arbitration agreement for five years, and the treaty with Great Britain related to tenure and disposition of British property in Hawaii. No date was set for action on the Colombian treaty, which provides for payment of \$25,000,000 to Colombia to compensate for loss of Panamanian territory.

Moultrie Mayor Resigns Office After Criticism

Failure of Mayor to Remove Phone Causes Criticism Leading to Resignation.

Moultrie, Ga., March 7.—(Special.) The telephone situation in Moultrie growing out of the fight being made by a large number of citizens here in the case of increase in rates, put into effect on March 1 by the Consolidated Telephone Co., took an unexpected and sensational turn today when Mayor J. S. Johnson sent in his resignation to city council and called a special meeting of the body to act on it tonight.

Mayor Johnson, in announcing his resignation, issued also a public statement, in which he declared that his action was taken because of criticism directed at him as the result of his refusal to have his telephone rates reduced.

"I have in no way expressed sympathy for the telephone company. He is a large corporation and to anyone else," he said, "I have not had my telephone taken out and do not intend having it removed, and rather than be the target for such criticism and insults I am resigning."

Mayor Johnson's election was unique in Moultrie politics. He was out of town on business when he was nominated, his friends and he were elected before his return. Judge W. A. Covington, who was running for a second term. He had about six months more to serve.

BOYS ARE IDENTIFIED AS ROBBERS OF STORE

Three Youths Arrested, Following Looting of Drug Establishment.

C. R. Forrester, 19 years old, of 21 Calhoun street; Earl Pilgrim, 17, of 19 Calhoun street, and Louis Williams, 19, of 17 Calhoun street, were Monday morning identified by Frank Wilson, of 741 Peachtree street, soda dispenser at the Stephens-Hawk drug store, as the young bandits who Sunday night held him up at the point of a pistol and rifled the cash register of the store.

The three youths were arrested by Patrolmen Williams and Carroll while riding about in their cut-down auto, it is said. Pilgrim and Williams, emphatically protested their innocence to the statement of reporter Monday evening, while Forrester refused to discuss it, saying he "would tell his story to the judge."

All admit being in the drug store about fifteen or twenty minutes before the alleged robbery took place. They state they bought three drinks at the fountain, got into their machine and drove straight home.

According to Dr. J. J. Hawk and Wilson two of the boys came into the store while the third remained outside in the auto, the motor of which was left running. They were unarmed and seemed very nervous.

"In fact," said Dr. Hawk, "his nerves must have failed the one who was searching the cash register, only took time to get about one-fifth of the cash that was within the drawer."

Mrs. Jennie Redwine. Mrs. Jennie Redwine, widow of John R. Redwine, formerly of Atlanta, died in Indianapolis, March 7. She leaves her sons, John R. Redwine, of Atlanta, and William R. Redwine, of Indianapolis, and her step daughter, Mrs. Bessie Redwine McClelland, of Norfolk, Va.

Wood Detailed To Philippines By New President

Will Study Conditions in Line With Philippine Aspirations for Independence.

Washington, March 7.—Major General Leonard Wood has been detailed, at the request of President Harding, to go to the Philippine islands and make a study of conditions there in the light of Philippine aspirations for independence.

The mission was formally intrusted to General Wood at a conference today between him and the president, at which Secretary Weeks, of the war department, also was present. It was decided that such a plan would be preferable to Mr. Harding's original plan to make the general governor of the islands.

In making the original offer of the Philippine governorship to General Wood, Mr. Harding is understood to have been moved primarily by a desire to obtain full information on all the details of Philippine conditions. It is believed that General Wood, himself, made the suggestion that he could conduct the inquiry more effectively by retaining his rank in the army than by leaving it to accept a civil appointment as governor.

Today's decision was announced by Secretary Weeks.

CARL FORD FACES SUIT FOR ALIMONY IN FULTON COURT

Mrs. Catherine Lowther Ford, who, it is stated, is the second of three wives of Carl D. Ford, former army officer now under federal and state charges as the result of his matrimonial entanglements, filed suit for alimony in the Fulton superior court Monday.

John T. Pendleton signed a temporary restraining order to prevent Ford from disposing of any of his belongings, personal or real. The hearing of the petition was set for March 12.

Mrs. Ford alleges that she married Ford in London June 12, 1918, while he was stationed there as a captain in the quartermaster corps of the American expeditionary forces. She set forth that they came to the United States the following August and lived first at Washington, then at Culpepper, Va., and Atlanta, Ga.

She claims that Ford was arrested in January, when he was found living with Clara, a Creole, in an apartment at 293 West Peachtree street. She also alleged that the two lived at 45 Currier street, before moving to the West Peachtree street address.

NO MORE WINTER WEATHER LIKELY, SAYS FORECASTER

Atlantans may with safety begin to plant their spring gardens and poets may just as well drop their pencils, or all their typewriters, for spring is here to stay, in the opinion of the local weather bureau.

There will be more cool weather, of course, but no real cold weather is anticipated. The balm of Monday's atmosphere caused local seed stores to do an unusually heavy business. In fact, brisk trade was in evidence in line of business. The retail section of Whitehall street was jammed with eager buyers throughout the week.

MOVE TO IMPEACH STATE OFFICIALS ON IN OKLAHOMA

Oklahoma City, Okla., March 7.—Impeachment and removal from office of Lieutenant Governor M. E. Trapp is asked in a report to the lower house of the legislature today by a special committee named to draw up charges based on a report filed by a house investigating committee. The charges grew out of personal bond transactions with commissioners of local seed stores.

The committee also recommended impeachment of A. N. LeCraft, state treasurer, and dismissal of Henry Wood, state highway commissioner, and other employees of the highway department. LeCraft is charged by the committee with having attempted to collect democratic campaign funds from bankers with whom he had influence, due to his official position.

ETHEL BARRYMORE HAS SEPARATED FROM HER HUSBAND

New York, March 7.—Counsel for Ethel Barrymore, famous American actress, today confirmed reports that she had separated from her husband, Russell G. Colt.

In a formal announcement, William Nelson Cromwell, of the law firm of Sullivan & Cromwell, declared the separation agreement had been executed by the Colts, who now were living apart, in accordance with its terms. Miss Barrymore retains the sole custody of their three children, but provision is made for their father visiting them.

IRISH MAYORS SLAIN IN REPRISALS RAID

Officials Shot to Death While Lying in Their Beds.

Dublin, March 7.—(By the Associated Press.)—George Clancy, mayor of Limerick, was shot and killed at his home in that city early today and his wife was seriously wounded. About the same time, Michael O'Callaghan, former mayor of the city, was also killed at his residence.

Meager reports received here state that Mayor Clancy and his wife were shot about 1:30 o'clock, but owing to curfew restrictions, members of the household were afraid to venture on the streets to seek aid and friends with whom they communicated by telephone could not go to the house for the same reason.

About two hours later a physician arrived from a hospital and found Mayor Clancy dead and Mrs. Clancy in a critical condition. Former Mayor O'Callaghan was dying when physicians, summoned by the police, arrived at the house.

HEARING ON PAR CLEARANCE SUIT ADVANCED MONDAY

Washington, March 7.—The supreme court today advanced to April 11 hearing of arguments in the suit brought by fourteen country banks of Georgia against the Federal Reserve Bank of Atlanta. The country banks are seeking an injunction which would restrain the Atlanta institution from enforcing its collection of checks.

The supreme court also advanced to April 11 hearings in the "corporate bonds" income case involving the liability to taxation of apparent increase in value of securities held for investment between their market price March 1, 1913, and the date of their sale.

FORMER PREMIER OF FRANCE COMING TO VISIT HARDING

Paris, March 7.—(By the Associated Press.)—Rene Viviani, former prime minister, is going to the United States, sailing on La Lorraine March 19, on an official mission from the French government to the administration of President Harding.

He is expected to extend the felicitations of the government and reaffirm its friendship toward the existing and previous administrations. It is understood M. Viviani will discuss outstanding questions, the most prominent of which is the French indebtedness to the United States.

Owing to the nature of his mission, M. Viviani is going alone and expects to remain in the United States for a month.

All drugists—25c, 70c, \$1.40.

Sloan's Liniment

Long Line Ready When Sale Opens For Grand Opera

A long line of grand opera patrons was waiting before the Cable hall box office at 9 o'clock Monday morning, when the public sale of season tickets for the 1921 season of Metropolitan Grand opera was opened, and throughout the day an endless procession of buyers called to make reservations. The sale will continue through March 28, opening at 9 o'clock a. m. and closing at 6 p. m.

A large mail order demand from out of town was also reported by C. B. Bidwell, treasurer of the Atlanta Music Festival association. Mail orders are being promptly filled and for this purpose two sections of seats are being held for out-of-town patrons are supplied. The same prices prevailing last year are in effect. On April 4 the sale of single tickets will begin at the Cable store, and will continue through opera week. On the opening day of the opera, tickets will be placed on sale at the Auditorium.

WAYCROSS FIGHTS PLEA TO INCREASE ELECTRIC RATES

A fight on the application of the Ware County Light and Power company for an increase in electric rates in Waycross is expected at the hearing before the Georgia railroad commission today when the application is called. About twenty telegrams from prominent Waycross citizens, protesting the increase, were received by the commission Monday afternoon.

The calendar for hearings before the commission follows: Application of Atlanta Paper company to provide rating for flour in paper containers.

Application for increased rates by the Fruit Belt Telephone company.

Applications from the Georgia railroad commission as agency stations both Redan and Clarkston.

Application of the Ware County Light and Power company for increase in electrical rates at Waycross.

Protests from the citizens of Belleville that the Seaboard Air Line is going to discontinue the town as a telegraph station were also wired to the commission Monday.

"Built Like a Skyscraper"

Jump into the open drawer. Jump hard! You can't harm it. The drawer will still "crawl" in or out at a touch afterward.

SHAW-WALKER STEEL LETTER FILES

BUILT like a skyscraper— with skyscraper uprights, cross-pieces, girders, etc., of channel steel.

Even go skyscrapers one better, because electric welded into one solid piece. No nuts—no bolts—no rivets—no rods—no screws.

Drawers silent and speedy. Will run 100 years without repair or attention.

French Circle To Meet

The Cercle des Amateurs will meet at the studio of Miles, Gabriel, Tablin Wednesday, March 9. The comedy "Le Coup de Vent" by M. Amelie Rosell. This comedy has been played recently for the first time at the Odéon, in Paris.

Shorter College Club

The Shorter College club will meet this afternoon at 3 o'clock with Mrs. Claude Shewmake, 606 West Peachtree street.

Mrs. Speir, Hostess At Luncheon

Mrs. George Caldwell Speir will be hostess at a luncheon today in the room of the Capital City club in honor of Miss Viola Hettler, of New York, the guest of Mrs. C. L. Dinkler, and Mrs. Speir. After luncheon the guests will be entertained at a box party at the Howard theater.

Nurses' Club To Meet

The Atlanta Registered Nurses club will hold a meeting Wednesday afternoon, March 9, at 3 o'clock.

HOW TO DARKEN GRAY HAIR

A Cincinnati Barber Tells How to Make a Remedy for Gray Hair.

A well-known resident of Cincinnati, Ohio, who has been a barber for more than forty years, recently made the following statement:

"Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, and make it soft and glossy. To a half-pint of water add 1 ounce bay rum, a small box of Barbo Compound and 1-4 ounce glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. The mixture does not color the most delicate scalp, is not sticky or greasy and does not rub off." (adv.)

Famous Old Recipe for Cough Syrup

Hearty and cheaply made at home, this is the best remedy for cough.

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup. It is simple and cheap but it has no equal for prompt results. It takes right off of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2% ounces of Pinex from any drugstore, pour it into a pint bottle, and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs, loosens and raises the phlegm, soothes and heals the membrane, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract known the world over for its healing effect on membranes. Avoid disappointment by asking your druggist for "2% ounces of Pinex" with full directions on the label. Accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. Honoring Miss Hollingsworth.

Miss Ruby Hollingsworth will be honor guest at a dinner party given at the Ansley this evening by Miss Grace Bell and Mrs. A. R. Burt.

Today's guests will include Miss Hollingsworth, Miss Frances Minor, Miss Anne Turner, Mrs. Grady Hollingsworth, Mrs. J. A. Kennedy, Mrs. Burt and Miss Bell.

U. D. C. Board.

The executive board of the U. D. C. will meet Tuesday morning at 10 o'clock at the home of Mrs. McD. Wilson, Marlborough apartment. A full attendance is earnestly desired.

To Mrs. Forbes.

Mrs. Cannon Forbes gave an afternoon tea Friday in honor of her mother, Mrs. W. T. Forbes, who recently returned from New York city.

The lace-covered table had as its centerpiece a silver basket filled with jonquils.

Refreshments were served most graciously by Mrs. T. Forbes and Mrs. Cannon Forbes.

Vases were filled with yellow flowers and the electric lights were covered with orange shades.

Mrs. W. T. Forbes, the honor guest, wore purple velvet.

Mrs. Cannon Forbes received her guests in a becoming afternoon gown of white and black.

Mrs. Tillou Forbes was gowned in old rose and black.

Canary birds furnished the music.

Series of Parties For Mrs. Manell.

Mrs. G. C. Manell, of Rochester, N. Y., the attractive guest of Mrs. C. L. Dinkler, will be honored this week at a series of enjoyable affairs.

Today Mrs. Mae McAlpin will give a matinee party, this following a luncheon at which Miss Mary Daniel will be hostess.

On Wednesday Mrs. William Owens will give a luncheon at her home on Howard street.

On Thursday Mrs. Nathan Bodenheimer will entertain at her home on Westminster drive.

On Friday Mrs. Robert C. Turner will give a bridge-tee at her home on Highland avenue.

Yesterday Mrs. George West gave a pretty card party for Mrs. Manell, the game followed by tea.

Luncheon for Miss Ponselle.

Mrs. C. W. Martin, Jr., entertained at a luncheon for Miss Rosa Ponselle yesterday at the Druid Hills Golf club.

The luxuriously appointed table had as its centerpiece individual silver flower holders filled with

Library Experts to Lecture At Carnegie Library School

During the week of March 28 through April 2, 1921, the Atlanta Library school is offering a course of lectures to librarians and library assistants of the southeast.

The course will include lectures on children's work, administration, problems, binding and mending, the county library and other topics.

The lecturers will be Miss Margaret Carnegie, of Pittsburgh; Miss Charlotte Templeton, of Atlanta; Miss Mary E. Ensign, of Chicago; Miss Mary L. Titcomb, of Maryland.

Miss Margaret Carnegie, of Pittsburgh, is a graduate of the Carnegie Library school of their city, which school trains specially for children's work.

Miss Charlotte Templeton, of Atlanta, has had valuable experience in the Pittsburgh system and since her return from Y. W. C. A. work in France has continued her work in the library.

She is at present a member of the faculty both of the Carnegie Library school and of the University of Pittsburgh. Her lectures will be largely on the organization of children's books and plans for a story hour.

Miss Charlotte Templeton, organizer of the Georgia library commission, has had practical experience in administering public libraries and her long experience as secretary of the Nebraska library commission, enables her to speak with authority on all the complex problems of the small public library.

Miss Mary E. Ensign, of Chicago, has had valuable experience in the Pittsburgh system and since her return from Y. W. C. A. work in France has continued her work in the library.

She is at present a member of the faculty both of the Carnegie Library school and of the University of Pittsburgh. Her lectures will be largely on the organization of children's books and plans for a story hour.

Miss Mary L. Titcomb, of Maryland, has had valuable experience in the Pittsburgh system and since her return from Y. W. C. A. work in France has continued her work in the library.

She is at present a member of the faculty both of the Carnegie Library school and of the University of Pittsburgh. Her lectures will be largely on the organization of children's books and plans for a story hour.

Colonial Daughters of Georgia Elect General Court Delegates

The Georgia Society of Colonial Daughters met Saturday afternoon with Mrs. William L. Barnes, the regent, and her home.

The purpose of the meeting was to elect delegates to the general court, to be held on April 10, 1921, at Washington, D. C., which was the feature of the fore part of the afternoon.

Mrs. W. L. Barnes, regent, and Mrs. J. P. Womble, secretary, will attend the general court, and the delegates elected were Mrs. Bun Wylie, Mrs. Charles Holt, of Macon; Mrs. E. R.

Kirk, and Mrs. J. W. Smith. The delegates will represent the Georgia Society of Colonial Daughters at the general court.

Mrs. Lumpkin Urges Women to Bring Their Registration Receipts

All women who registered on Thursday and thereafter must carry their registration receipts with them to the polls on Tuesday.

If they do not carry their receipts they may be deprived of the privilege of voting for the bonds, as their names will not appear on the registration lists already handed in to the election managers at the various polls.

Mrs. and Mrs. Lewis Sharp have moved into the Georgian apartments, corner Piedmont avenue and Park lane. Mr. Sharp's mother, Mrs. Walter Sharp, of Norfolk, will arrive next week to be their guest.

Miss Gertrude Barnett, of Washington, D. C., is the guest for a few days of Mrs. Nevil Adkins before going to Rome.

Mrs. Lucille Williams, who has been quite ill, is convalescent at her apartment in the Rosslyn.

Miss Annie M. Lane, of Washington, D. C., is ill at St. Joseph's infirmary. Miss Lane is prominent in the work of the federated clubs in Atlanta.

The very attractive pictures of Miss Evangeline Bateman, of Chicago, will be shown at the library on Tuesday afternoon. Miss Bateman is a member of the library and is a member of the federated clubs in Atlanta.

Paul Warwick will return today after spending the week-end with his parents in Waycross.

Miss Elizabeth Shewmake has returned from a visit to friends in New York and Connecticut.

Mrs. Stuart Stringfellow has returned from a visit to relatives in Richmond, Va.

Miss Marie Stringfellow left Sunday night for Miami, Fla.

Mrs. Clayton C. Cooley, of Minneapolis, arrives in Atlanta next week to visit her sister, Mrs. George L. Crandall, on Peachtree street.

Mrs. Edward A. Allen and little daughter, Louise, of Cooper Allen, arrive today from Camp Vail, N. J., to visit their grandmother, Mrs. W. P. Trout, in West End. Afterward they will be the guests of Mrs

AMERICAN PRINCESS
TO UNDERGO OPERATION

Athens, March 7.—(By the Associated Press.)—Dr. Alden R. Hoover, an American surgeon, decided today to perform an operation on Princess Anastasia, wife of Prince Philip, of Greece, for an intestinal ailment. Dr. Hoover came to Athens from Constantinople to attend the princess in her illness.

TO CURE BABY'S
COLD OVERNIGHT

"Baby Ease," the perfected Laxative Cuts Short Babies' Colds and Prevents Complications.

No medicine is effective in colds and spasmodic croup until the liver is made thoroughly active. "Baby Ease," laxative, cleanses the intestinal tract, relieves constipation and biliousness and puts the little system in condition to throw off the germs, bringing quick relief, enabling baby to rest well and the cold is gone by morning.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "tired" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c.—(adv.)

MOB THREATENS
LIVES OF CITIZENS

Deputized Men Who Captured Night Riders Saturday Are in Danger of Mob of Three Hundred.

Stevenson, Ala., March 7.—At an early hour tonight warning was telephoned here by government operatives at Widow's Bar, across the Tennessee river, that a mob of 300 men had formed at that place with the announced purpose of coming here, capturing and hanging six citizens deputized by Deputy Sheriff Stevenson, who captured four night riders Saturday night.

Officials here at once appealed to D. P. Wimberley, special prosecutor, who is in the city, to call upon Governor Kilby for state militia to be dispatched at once to Stevenson for the protection of the town, and that the troops be used to round up night riders and suppress terrorism in this part of north Alabama.

Prosecutor Wimberley immediately attempted to get in touch with the situation at Widow's Bar and stated that he would ask for troops if his investigations justified such action.

One of the thousand bridges of Venice arched over the Griffith quartet on the stage of the Howard theater yesterday, when this picturesque opportunity for exploitation of the charm of their music, they were most cordially greeted at each of the de luxe performances—2, 7 and 9 o'clock.

The Venetian Night will be their program for the first half of the week. For the last half they will play "Sunsetland," Mr. Leide's arrangement of Hawaiian melodies.

LOUISE DOOLY.

Washington, March 7.—A joint commission of Polish and Lithuanian government delegates, under the presidency of M. Paul Hymans, representing the league of nations, will meet at Brussels "not earlier than one month hence" and endeavor to reach a basis of agreement on the military, military and economic relations between the two governments, it was announced today.

The conference was decided upon, it was added, after abandonment of the plebiscite in the Vilna region, and the cancellation of the plan for the withdrawal of the army to maintain order during the plebiscite.

Costa Rica Halts WAR ON PANAMA

Continued From First Page.

As Justifiable," said the American note.

The American government, it is stated, has been caused "the greatest concern" by the military activities, and urged upon the government of Costa Rica "in the most earnest manner" that troops be halted.

American Request.

The American note asked that troops between the status quo line and the Cerro Pando-Punta Burica line advance no further, and that troops which had advanced into Guadalupe be withdrawn to the Siquiera river. To this demand Costa Rica conceded.

This government recognizes the fact that the controversy with respect to the boundary line between Panama and Costa Rica has been finally determined by the award of Chief Justice White as arbitrator.

Hughes' note continued, "and desires to urge upon the government of Costa Rica the importance of immediate cessation of hostilities to the end that appropriate settlement be made in an orderly manner in accordance with Chief Justice White's decision."

Boundary Dispute.

Chief Justice White arbitrated the boundary dispute between the two countries. Costa Ricans had argued they were taking possession of territory allowed them by White's decision.

Beeche's note to the state department, in part, said:

"I hope the action taken by my government will be the desire satisfying the wishes expressed by the government of the United States will be interpreted by the peace of its conciliatory intentions and of the consideration deserved by the friendly attitude of the department of state, as well as of the firm conviction of my government that the award of Chief Justice White will be respected and carried out in their entirety."

regularly operating a passenger service. We shall keep the truck system employed until the trouble is over, paying for the same out of an operating fund, and without rebate for any plus expenses.

Of course, there will be no payment to the A., B. & A. for transporting mail during its tie-up, when no passenger trains are being run.

The interstate commerce commission had its solicitors busy today looking up laws that might force operation, but came to the conclusion tonight that its only functioning power would be in "kindly offices." In trying to bring about a settlement of the troubles at the earliest moment, it was held that the war-time interstate commerce act, authorizing the executive to force operations would not apply under private ownership.

times of peace. The United States board of mediation is now seeking to bring about an agreement between Receiver Bugg and the workers.

Cummins Resolution.

In the meantime Senator Cummins informed The Constitution that on the opening day of the extra session of congress he would introduce a resolution asking for a public investigation of railroad operations since the roads were returned by the government to private owners.

He will ask that the committee on interstate commerce, of which he is chairman, and which framed the transportation act, shall make the investigation. That something is wrong, Senator Cummins believes is apparent. But congress and the country are unable to tell exactly what the trouble is or to what causes it is attributable.

He insists that both must know if there is to be removal of the mistrust with which the public, he says, has come to regard the whole question, and if congress is to determine properly what can be done to relieve the situation.

If the present financial embarrassment of the railroads is due to mismanagement and extravagance, he should be disclosed, Senator Cummins says. If it is due to causes entirely beyond the control of the railroad managers, he is very desirous that these causes should be discovered. His program, therefore, calls for hearing of the railroad operators and of the railroad employees, with both to be given full opportunity to express their views and present all facts in their possession.

Prior to the investigation and the ascertainment of facts upon which conclusions may be based, Senator Cummins is not willing to venture any opinions as to how the transportation problem may be solved. It is the general opinion of the members of the interstate commerce commission that there must be a

Charm of Motherhood

THERE are many homes once childless that now are blessed with healthy, happy children, because Lydia E. Pinkham's Vegetable Compound restored the mother to a healthy, normal physical condition.

The following letters give the experience of two young women and prove the value of Lydia E. Pinkham's Vegetable Compound in such cases.

Chicago, Ill.—"I was always tired, my head always ached, and my back ached until I could hardly stand the pain. I doctored for years, and the doctor said nothing but an operation would help me, and that I could not have children. A friend asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles of it and it helped me wonderfully, and I now have a fine baby boy, thanks to what your medicine did for me in restoring my health. I can highly recommend the Compound to all women who suffer from female ills."—Mrs. W. M. REISS, 304 Willow St., Chicago, Ill.

Marinette, Wis.—"I was in a very nervous condition, was irregular, and could not have any children. I took doctor's medicine without success, and he advised an operation. My husband brought me one of your booklets and asked me to try Lydia E. Pinkham's Vegetable Compound. I soon felt benefited by its use, became regular, and now we have a fine baby girl after having been married nine years. I am always glad to recommend Lydia E. Pinkham's Vegetable Compound to my friends who suffer from such troubles."—Mrs. H. B. HEIN, 330 Jefferson St., Marinette, Wis.

These letters should induce others to try

Stocks Hold Up Well Under Foreign News

BY R. L. BARNUM

New York, March 7.—The movement of prices in the stock market was very conflicting today, but this was natural in view of the news from abroad. At first the dispatches contained a hopeful trend and prices advanced. Then came reports that the allies would reject the new German proposals, and prices lost all their early gains. And to help along the irregularity rumors were circulated by the professionals of what was happening abroad. On the whole, however, the market gave a fairly good account of itself as it has been doing throughout the period of negotiations abroad. Consequently the opinion prevails in numerous quarters that as soon as the foreign situation is cleared once and for all a better stock market can be expected. Outside of the foreign news there was little news to affect stock prices, and trading was again on a moderate scale. Wall street likes the manner in which the new administration is taking hold of affairs and much is expected from Washington to help the general business situation.

There was little change in the local money market today, but the foreign exchange markets were firm up to a late hour.

The statements issued by the New York federal reserve bank and the system as a whole were unusually favorable and were it not for the political situation abroad, would have had an important influence on the market during the early dealings. Prices were firm at the start, but the recovery was not as large as could have been expected. Should the federal banks continue to show up as during the past month or more the opinion prevails in local banking circles that a decided change for the better can be looked for in the money market.

The report of the local banks was not very favorable, the surplus having been sharply reduced as a result of payment of about \$7,000,000, of indebtedness at the local reserve bank. This, however, puts them in a better position to increase their rediscounts should the occasion arise during the coming week.

Chandler continues to improve and the stock at today's price has recovered about 7 points of its recent loss. Little information is obtained from quarters which are supposed to know as to what action may be taken by the directors on the dividend, which will be declared this week. Traders, however, are of the opinion that the regular dividend will be declared and this caused some short covering in the issue today. Business is reported to be picking up in the motor industry. This, however, is expected as the spring season drew near, but it is stated that conditions are not yet as bright as the manufacturers would like to see them.

There was a slight recovery in Denver & Rio Grande common and preferred on the report that the stockholders of the road have until March 21 to buy the road for \$400,000,000. This gives the stockholders another opportunity to keep the road which had been sold to the Western Pacific for \$500,000,000, that road having a claim of \$38,000,000 against the company. Denver stocks are selling at very low levels, but there is an unusual amount of interest in the case in financial circles.

The annual report of the American International corporation is expected to be published before long. There is considerable conjecture in brokerage circles as to what the statement will show. Some quarters have it that the report will not show up as poorly as some might have expected in view of the recent passing of the dividend while some traders are of the opinion that the report will be unfavorable. The action of the stock clearly reflects this conflicting opinion. It is reported, however, that the company's investments in other concerns, something which has been withheld from stockholders up to the present time and which has been the cause of much criticism against the management.

American Telephone & Telegraph stock today sold at the highest price for the current year to date, being about 7 points above the low. During the past week or so, the shares have been exceptionally strong, the rise having been in connection with the publication of the annual report, issued last week and which made an unusually favorable showing.

Cotton Rallies, Then Falls But Closes at Small Gain

Closed steady.

New York, March 7.—The cotton market showed an advance of about 45 to 55 points during today's earlier trading on more optimistic views of the German situation, and higher Liverpool cables. Later, however, and most of the improvement was lost with the market closing at 11.75, compared with 11.60 Saturday.

The market opened steady at an advance of 20 points on the better Liverpool cables, which private advice attributed to a successful feeling over the progress of the London conference and reports of smaller spot offerings from the south.

There was some irregularity right after the call but Liverpool spot buyers held while there was covering by spot house shorts and considerable local buying promoted by the publication of private reports that Germany would accept the allied terms subject to revision in five years and a loan.

Later cables failed to confirm this report or to throw any definite light on the negotiations and the market turned easier during the afternoon under liquidation by early buyers and contracts eased off from 11.65 to 11.75 and July from 12.50 to 12.05 and the close was within a few points of the lowest. Reports that the troops on the Rhine have received orders to march forward into Germany tomorrow contributed to the late weakness. Very little selling was reported here during the day and there were reports that less distressed cotton was offering in the market than was held in the early trading when an altogether more cheerful view of the foreign situation was held. Determined buying resumed the early trading and covering was more or less in evidence throughout the day.

NEW ORLEANS SPOTS. New York, March 7.—Cotton, spot quiet; middling 11.65.

GOOD TREND SHOWN AT NEW ORLEANS

New Orleans, March 7.—While the cotton market stood higher than the close of last week, throughout today's session, the greatest steadiness was in the early trading when an altogether more cheerful view of the foreign situation was held. Determined buying resumed the early trading and covering was more or less in evidence throughout the day.

DECISION CAUSES STOCK DEPRESSION

Covering by Shorts Reversed When Indemnity Negotiations Are Suddenly Ended.

New York, March 7.—During the first half of today's stock market technical considerations prompted a covering by shorts, but this condition was sharply reversed when indemnity negotiations were suddenly ended.

Domestic developments over the week-end raised from good to bad. Stronger position of the federal reserve banks was largely neutralized by January returns of stockholders, and the more important railway companies, nearly all of which disclosed heavy losses in net earnings. Covering by shorts in net earnings. Covering by shorts in net earnings. Covering by shorts in net earnings.

# A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Chronic Coughs and Persistent Colds Lead to Serious Lung Trouble. You Can Stop Them Now With Creosote, an Emulsified Creosote That Is Pleasant to Take.

A New Medical Discovery With Twofold Action. Soothes and Heals the Inflamed Surface and Kills the Germ. Indorsed by Highest Authorities.

Money Refunded If Any Cough or Cold, No Matter of How Long Standing, Is Not Relieved After Taking According to Directions.

FINE FOR BUILDING UP THE SYSTEM AFTER COLDS OR THE FLU

Of all known drugs, Creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creosolium contains, in addition to creosote, other healing elements which soothe and heal the inflamed membrane and stop the irritation and inflammation while the creosote goes on to the stomach, is absorbed into the blood, attacks the germ of the trouble and destroys the germs that lead to consumption.

Creosolium is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchitis, catarrhal bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or the flu. It increases appetite and body-weight. Ask your druggist. (Adv.)

This is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body.

The result is weakness, headaches, dizziness, coated tongue, inactive liver, bilious attacks, loss of energy, nervousness, poor appetite, impoverished blood, sallow complexion, pimples, skin disease, and often times serious illness.

Ordinary laxatives, purges and cathartics—salts, oils, calomel and the like—may relieve for a few hours, but the healing benefit can only come through use of medicine that tones up and strengthens the digestive as well as the eliminative organs.

Get a 25c box of Nature's Remedy (NR Tablets) and take one tablet each night for a week. Relief will follow the very first dose, but a few days will elapse before you feel and realize the fullest benefit. When you get straightened out and feel just right again you need not take the medicine every day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, keeping well is easier and cheaper than getting well.

Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

## Atlanta Plays Host Today To Southeastern Merchants

The annual "Merchants' Week" of the Atlanta Merchants and Manufacturers' association opens today to last through Friday, and indications are that the meeting will be one of the best attended that the local association has ever held. The vanguard of the retailers from all parts of the southeast began arriving late Monday, but the majority of the visitors are expected during Tuesday morning.

Tuesday morning will be given over to registering the delegates. Each delegate as he arrives is to be taken direct to the offices of the secretary of the local association, Harry T. Moore, 733 Chamber of Commerce building, where he will register and be given a program of the events during the four days that the meeting is to last.

Theater Party Today.

Tuesday afternoon will be featured by a theater party at the Howard theater, and also inspections of a number of the plants of the various members of the local association.

Wednesday, throughout the entire day, the delegates will be taken on tours of inspections to various points of interest around Atlanta by

representatives of members of the various plans of the members association, while the inspection of will be continued.

Wednesday night at 8 o'clock the only business meeting of the entire four days' stay will be held. This will take the form of an open forum discussion of the present-day business problems of the retailers.

Thursday night, special reservations have been made for the retailers, and the majority of the delegates are expected during Tuesday morning.

## KIRKWOOD PLANS FOR GAS SERVICE

Committee to Get Data on Cost of Plant—Dr. Huff Gives Out Program for Big Meeting.

Kirkwood, Atlanta's only suburb without gas, took a formal step Monday night towards erecting a gas plant in that community when, at a gathering of 40 citizens, a committee was appointed to consider the feasibility of erecting a gas plant in that community.

The committee consists of W. E. Saunders, W. B. Hardman and O. E. Ray. They were instructed to gather data as to the approximate cost of a plant. When their report is completed, they will call a mass meeting of Kirkwood citizens and present plans. This proposed plant will not be owned by the municipality, but will be a stock enterprise, owned and operated by private citizens.

The action of the Kirkwood citizens followed a conference last week, between a delegation of Kirkwood citizens and officials of the Georgia Railway and Power company. Kirkwood sought to have the power company extend its gas mains from Atlanta, but President Kirkwright, it is declared, stated the company was not financially situated to extend the service to the suburb.

Attack Gas Rates.

South side citizens met at Crew street school Monday night and voiced their protest against the gas raise. J. O. Hudson, who was elected permanent chairman at a meeting held Friday night at the Avenue school, presided. Mrs. Hudson was secretary.

For more than one hour housewives told of their gas troubles. Mrs. Nellie Correa, a north side citizen, and a leader in the campaign for lower gas rates, was present, and for several minutes scored the gas service and the company.

Dr. L. N. Huff, who has wired the mayors of other cities for gas rates, exhibited 25 telegrams from cities from Boston to Seattle, and from Canada to the Gulf, purporting to show that Atlanta's gas rates are among the highest in the country.

"Indignation" Meeting.

The gas rate and public ownership will be the chief topics of discussion Tuesday night at the regular meeting of the Edgewood Progressive club, to be held at the residence of T. R. Bryant, of 4 Indiana avenue.

Plans for the mass meeting in the Baptist Tabernacle, and its purposes, were outlined Monday by Dr. L. N. Huff, member of the program committee appointed to arrange for the gathering, which will be attended by Atlanta gas consumers, and representatives from Atlanta suburbs.

Dr. Huff made a detailed report on the progress of the city-wide campaign for cheaper gas. At the central protest meeting, he stated, the following resolutions will be introduced:

"That the railroad commission order a rehearing of the gas increase application."

"That the next legislature pass a law authorizing Georgia cities to acquire and operate their gas plant."

"That the next legislature pass a law enabling municipalities to make rate contracts with their local utilities without interference by the railroad commission."

Dr. Huff pointed out that since the gas increase was granted by the commission, there has been a considerable decline in the commodities used in manufacturing gas.

The railroad commission should live up to the promise made in its recent decision that gas rates would be reduced as soon as conditions warranted.

W. A. Covington, of Monticello, one of the state's most active champions of municipal ownership, and former member of the legislature, will be the principal speaker at the Tabernacle. Other speakers will be Mayor Key, John J. Egan and Marion Jackson. A brass band will furnish music.

Will Offer Resolutions.

## RODNEY BRANDON TO INSPECT SITES FOR MOOSE HOME

BY M. D. GLEASON.

Rodney H. Brandon, supreme secretary of the Loyal Order of Moose, will arrive in Atlanta Wednesday morning at 11 o'clock to inspect possible sites for the \$200,000 Moose home which is to be established somewhere in the south this year.

Mr. Brandon was in Birmingham Monday, where he was met by a committee of Birmingham citizens, who are endeavoring to secure the bi-Moose institution for that city.

A large committee of officers and members of the Columbus, Ga., Chamber of Commerce, of the Moose lodge and representatives of citizens will meet Mr. Brandon between Columbus and Birmingham today and will escort him into Columbus, where he expects to address a mass meeting tonight.

After inspecting several sites in and around Atlanta Wednesday afternoon, he will address a mass meeting in the assembly room of the Piedmont hotel Wednesday night at 8 o'clock.

Atlanta lodge No. 13 has appointed the following members as a reception committee: Frank Weldon, Victor Krieshaber, Ivan Allen, Dr. John C. White, W. B. Fitzgerald, Charles J. Metz, P. J. McGuire, Dr. J. V. Onizette, M. D. Gleason, F. G. Gies, J. C. Robinson, L. F. Henderson, George Downham, F. Smith, A. W. Justice, Dr. J. Cheston King, Norman Wrigley, T. W. Tree, John Gilmore, A. C. Young, Perry Hilly, A. Gunterberg, W. Evans, H. Winerberg, W. N. Gailher, R. C. Jester, W. A. V. Christian, J. C. Bromberg, Nat. I. Royster, John P. Cooner and C. T. Richardson.

SALTS IS FINE FOR KIDNEYS, QUIT MEATS

Flush the Kidneys at once when Back hurts or bladder bothers. —Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally. Meat forms uric acid, which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush closed kidneys and stimulate them to activity; also to neutralize the acids in uric acid so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—(C)
